The Fine Print

-To qualify for the Block Rate, clients must initially fund a flight account with \$1500.00 and maintain a positive balance thereafter. Waco Flight Training treats each client's account as an escrow; the client retains the right to be refunded all unused funds at any time for any reason.

-Payment is required no later than completion of services. Waco Flight Training reserves the right to decline services to any client with a negative account balance.

-Waco Flight Training enforces a flight lesson no-show policy as follows:

-If not canceling for a weather or aeromedical factor reason, clients must cancel lessons with no less than 12 hours' notice.

-Extenuating circumstances may be approved at the discretion of the Chief Flight Instructor or Chief Pilot.

-Clients will receive three friendly reminders of this policy, and thereafter will be subject to no-show charges.

-No-show charges include 1 hour of Flight Instructor services at the current rate, and ½ hour of aircraft rental at the current rate if an aircraft was reserved for the lesson.

-Checks should be made payable to Dabney Aviation, LLC.

-Waco Flight Training processes credit and debit cards via the Square POS app, and charges will show on your account as being made by Dabney Aviation, LLC.

-Itemized invoices are available upon request.
